Background:

Embry-Riddle Aeronautical University Worldwide is a private institution based in Daytona Beach, FL. It has been authorized to offer degree programs in Washington State since 1981. It is accredited by the Southern Association of Colleges and Schools (SACS).

Nature of the review:

Prior to granting authorization to offer new degree programs in Washington State, the Washington Student Achievement Council/Degree Authorization reviews elements such as program outcomes, course requirements, method of course delivery, faculty credentials, and student services.

The programs to be offered by Embry-Riddle Aeronautical University Worldwide appear to meet the requirements of the Degree-Granting Institutions Act.

Information on the additional programs and specializations/concentrations/tracks can be found on the university's website at:
